RE: Sails for Cherubini 44

We looked over the sails which are currently in the loft in Salem and here is our survey report.

Main. New 2019. Never used.

Genoa. New 2006. Has been serviced yearly. In decent shape for age.

Mizzen. New 2006. Has been serviced often. In decent shape for age.

Within next couple of years the genoa and mizzen may need to be replaced. Chris Howes would be happy to give a quote for new sails at any time. (chowes@doylesails.com)

Sincerely,

Janet Doyle
